4 June 2012

Dear Parents

YEAR 6 TRIP 2012/13

I am writing to find out your views on a proposed trip for your children next term.

As you may know already, the BSME trip was cancelled last year due to the host school being in Cairo. We decided instead to take the selected BSME squad to Dubai to partake in an outdoor pursuit weekend and to play sports against various schools in Dubai.

The trip was a huge success and suitable for children of all sporting abilities. Therefore, we would love to take all of the Year 6 children next term. We feel this would be an excellent team building experience for the children and their teachers in the autumn term 2012.

The plan would be to take the children to the Libra Adventure centre in Dubai for 4 nights in the month of October. The approximate price would be QR 4000. This will include flight, accommodation, meals, transport while there and all planned activities.

We already know the venue is safe, clean, well organised and well supervised having successfully completed this trip once. We are sure that the children would thoroughly enjoy it because of the feedback from the children this year. At this stage, we only wish to gain a general feeling from the parents regarding a trip of this nature. By responding with a 'yes' at this point there is no obligation to allow your child to attend when the time comes.

There is one point you need to consider when making your decision:

1. Your child may be selected for the BSME games later in the year and this could mean you will be paying for two trips abroad.

This trip is to replace the Doha camping trip which will now become the Year 5 annual trip. This year we made sure that all of the current Year 5 children had the chance to go on the camping trip in preparation for us changing the location of the year 6 trip. If enough children want to go to Libra, this trip will go ahead. The children who do not attend the trip will remain in school and will take part in various school activities.

Kind regards
Miss J Sawyer
Head of Primary
